Sayyid Al-Hakeem Denounces Israeli Entity’s Government Head, Calls to Support Palestinian People

Sayyid Ammar Al-Hakeem, Head of the National State Powers' Alliance, strongly denounce the statements made by the head of the israeli entity’s government, advocating for the establishment of a Palestinian state on the lands of Saudi Arabia and other Arab nations. Sayyid Al-Hakeem considered such provocative rhetoric constitutes a blatant violation of international norms and agreements.

In this context Sayyid Al-Hakeem urged the international community, human rights and humanitarian organizations, the Organization of Islamic Cooperation, and the Arab League to stand with the oppressed Palestinian people, reject these schemes, and put an end to them as they threaten the security and stability of the region.

Sayyid Al-Hakeem affirmed the importance of standing together against these suspicious statements and agendas, calling on all freedom-loving people to exert extra effort to support the Palestinian cause and disrupt such attempts trying to undermine the rights of the Palestinian people.
