

Sayyid Al-Hakeem calls to adhere to Shaheed Al-Mihrab's approach, introduce people to his approach

At the first conference of the original sons of Shaheed Al-Mihrab's School "May Allah Sanctify his Soul" on 7/1/2023. Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, recalled the common history he shares with them in fighting dictatorship and laying the foundations for the democratic experience in the new Iraq. His Eminence affirmed that adhering to the project and sound approach is one of the challenges that face the devoted faithful.

H.E. stressed the need to believe in the adoption of the project and to establish symbolism and conformity with the conduct of the project, referring to the approach of Shaheed Al-Mihrab "MASHS" and the challenges he faced, as He was the title of moderation, the culture of containment and concession for the benefit of the nation and the country. He also established the rights of the larger component side by side with the rest of the national components, calling to take pride in the project of Shaheed Al-Mihrab and introduce them to the next generations.
