Sayyid Al-Hakeem: National Solidarity Shortest Path to Confront Current Challenges

His Eminence Sayyid Al-Hakeem, Head of the National State Powers' Alliance, received His Excellency the Former President of the Republic Dr. Abdul Latif Rashid, and discussed with him developments in the political situation in Iraq and the region, and ways to reduce escalation and restore stability there.

Sayyid Al-Hakeem noted the necessity of confronting the challenges surrounding Iraq, considering unity of ranks and understanding the circumstances of the challenges to be the most effective approach and the shortest path to confronting them, renewing his support for the government in its reform path.
